

# ROC AGAINST HATE

The Anti-Defamation League New York Region, Hillel Community Day School and ROC4Israel are proud to sponsor a special event for the Rochester Community to join together against the spread of hate.

The evening will feature an interactive panel discussion about the Anti-Defamation League's work to combat domestic extremism, anti-Semitism, and all forms of bigotry and bias. It will be an opportunity to discuss recent post-election events in New York State and how members of the community can take steps to affect positive change.
