

This initiative is designed to create inclusive communities and empower schools to challenge all forms of bigotry. By participating in No Place for Hate, your school community has the opportunity to create a safer learning environment, promote unity and respect, and reduce bullying, name-calling and other expressions of bias.

## No Place for Hate®

No Place for Hate, an initiative of the Anti-Defamation League (ADL), offers students, teachers, administrators and family members the opportunity to work together to combat prejudice and enhance a culture of respect in their school and community.

### 4 Steps to Join the Movement

- 1 Register**  
Register online and provide a list of your No Place for Hate Committee members who will plan, coordinate and oversee the school's anti-bias projects. The committee must include students, educators and staff, administrators, at least one family member and preferably a community leader that reflect the diversity of the school community.
- 2 Sign the Resolution/Promise of Respect**  
Have a majority of your school community sign the Resolution of Respect (for Middle and High Schools) or the No Place for Hate Promise (for Elementary Schools), affirming a commitment to promoting respect and challenging bullying.
- 3 Complete at least 3 Activities throughout the year**  
Fill out an Activity Proposal Form for at least 3 activities that meet the No Place for Hate guidelines. Upon completion of each approved activity, fill out the online activity form and submit supplemental material (press releases, articles, photos, videos, etc.)
- 4 Receive a No Place for Hate banner from ADL**  
Upon completion of all requirements, you will receive a customized banner designating your school as No Place for Hate. Congratulations!

### No Place for Hate Gold Star Schools

Each year, several schools throughout New York State will be recognized for their exceptional commitment to No Place for Hate. These schools will receive special recognition with a Gold Star Banner.
