

Becoming an Ally

Responding to Name-Calling and Bullying Behaviors

The A WORLD OF DIFFERENCE® Institute's **Becoming an Ally: Responding to Name-Calling and Bullying Behaviors Workshop** provides students in grades 4-12 with the knowledge, awareness and skills to respond to name-calling and bullying behaviors, and to create safe and respectful school environments. With current studies indicating that over 30% of all U.S. students have been involved in bullying, either as a bully or as a target, the federal Safe and Drug-Free Schools Program is recommending that schools take steps to address these concerns.

Goals:

- Develop an understanding of name-calling and bullying behaviors
- Learn how to be an effective ally to targets of name-calling and bullying
- Empower students with skills to address name-calling and bullying behaviors and de-escalating hate throughout the school

"I can be an ally. I now have the power to make someone else feel secure." —Student

Services:

- *Student Training*— Half day (3 hours) or Full day (6 hours) workshop that develops personal mechanisms to reduce name-calling and bullying situations
