

A WORLD OF DIFFERENCE® Institute

Anti-Bias Study Guide Training

Programs for Educators

The A WORLD OF DIFFERENCE® Institute's Anti-Bias Study Guides has been prepared for educators to use with students in grades K–12 as supplementary material to enhance existing curricula. The Study Guides provide teachers with lessons that encourage students to: (1) explore societal issues arising from bias, bigotry and discrimination; (2) improve critical-thinking skills; & (3) take leadership roles in promoting justice and equity in their schools communities.

Goals of the Guides:

- Create a climate conducive to the honest exchange of ideas
- Examine the benefits and challenges of a pluralistic society
- Analyze information to help students improve their critical thinking skills
- Challenge bias by encouraging personal responsibility for confronting and interrupting prejudice

"I was able to learn about staff, students and concrete lesson plans; working with colleagues who have different opinions, and also getting to share my expectations."

-High School Teacher

Inside the Guides:

- COMMON CORE STATE STANDARDS: Reading, Writing, Speaking & Listening, Language, Arts, Behavioral Studies, Civics & History
- TOPICS: Communication, Respectful Dialogue, Culture & Values Conflict Resolution, Identity, Media, Bias, Bullying and Cyberbullying, Injustice
- The final section of the Study Guides include resources for educators and students.
