

A WORLD OF DIFFERENCE® Institute

General Anti-Bias Training

Programs for Educators

The A WORLD OF DIFFERENCE® Institute General Anti-Bias Training provides teachers, administrators and school community members the knowledge, awareness and skills to respond to prejudice and discrimination, and create school environments that are more equitable, safe, respectful and appreciative of diversity.

Goals

- Examine personal identity, cultural awareness and its influence on one's own and other's world view
- Develop effective strategies for combating prejudice and discrimination
- Transfer anti-bias concepts and methods into classroom instruction
- Develop personal and institutional mechanisms to sustain inclusive classroom and school environments

"I like this workshop because through the activities, I gained a better understanding about how to deal with discrimination, bias and prejudice." -Educator

Services

- *Teacher Training* - Workshops which provide skills, knowledge and resources to respond to bias and prejudice in the classroom
- *Anti-Bias Study Guide* – Comprehensive, interdisciplinary, standards-based curricula
- *Hate Comes Home* - Interactive CD-ROM that allows users to role play situations of bias and prejudice
