

## No Place for Hate®

No Place for Hate is designed to create inclusive communities and empower schools to challenge all forms of bigotry. By participating in No Place for Hate, your school community has the opportunity to create a safer learning environment, promote unity and respect, and reduce bullying, name-calling and other expressions of bias.

### 4 Steps to Join the Movement

#### 1 Register Online

Register online and provide a list of your No Place for Hate Committee members who will plan, coordinate and oversee the school's anti-bias projects. The committee must include students, educators and staff, administrators, at least one family member and preferably a community leader that reflect the diversity of the school community.

#### 2 Sign the Resolution/Promise of Respect

Have a majority of your school community sign the Resolution of Respect (for Middle and High Schools) or the No Place for Hate Promise (for Elementary Schools), affirming a commitment to promoting respect and challenging bullying.

#### 3 Complete at least 3 Activities throughout the year

Fill out an Activity Proposal Form for at least 3 activities that meet the No Place for Hate guidelines. Upon completion of each approved activity, fill out the online activity form and submit supplemental material (press releases, articles, photos, videos, etc.)

#### 4 Receive a No Place for Hate Banner from ADL

Upon completion of all requirements, you will receive a customized banner designating your school as No Place for Hate. Congratulations!

This initiative is designed to create inclusive communities and empower schools to challenge all forms of bigotry. By participating in No Place for Hate, your school community has the opportunity to create a safer learning environment, promote unity and respect, and reduce bullying, name-calling and other expressions of bias.

### No Place for Hate Gold Star Schools

Each year, schools throughout New York State that complete more than three activities will be recognized for their exceptional commitment to No Place for Hate. These schools will receive special recognition with a Gold Star Banner.

## Examples of No Place for Hate Activities

### A WORLD OF DIFFERENCE Institute

Provide students, educators, administrators, staff and family members with ADL's anti-bias and diversity training programs and curriculum.

### Listening Journal

Have students keep a listening journal for one week. As they listen to the people in their lives and to the media, they will record examples of prejudice, as well as positive or courageous responses to it.

### Speaker Series

Create a team of students to plan a Speaker Series and have them invite recognized civil rights and community leaders to speak at student forums about the challenges they have faced and their visions for the future.
