

ANTI-BIAS BUILDING BLOCKS

AN ELEMENTARY CURRICULUM

ABOUT THE CURRICULUM

Anti-Bias Building Blocks: An Elementary Curriculum is a K-5 teaching guide designed for educators who want to promote safe, inclusive and respectful classroom and school environments.

Divided into five instructional units are 50 sequential lessons—25 for grades K-2 and 25 for grades 3-5—that help children explore identity, understand differences and analyze and challenge bias.

HOW TO GET THE CURRICULUM

Anti-Bias Building Blocks is available in conjunction with the ADL's

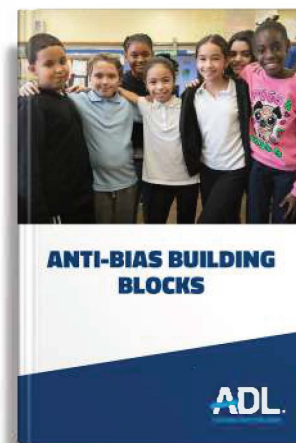

A World of Difference® Institute anti-bias training that provides a framework for its use in the classroom.
