A World of Difference® Institute Peer Training Program is built on the knowledge that the most important influence on the development of the attitudes and behaviors of young people is the attitudes and behaviors of their peers. The Anti-Defamation League (ADL)'s Peer Training Program prepares young people to use the positive power of peer influence to motivate other students to reflect upon their stereotypes and assumptions and take action against prejudice and bigotry in their schools and communities.

"The power of peer to peer really took center stage during our three-day Peer Training workshops. I'm proud to be seen as a leader not only by ADL but by my school."
