

A FRAMEWORK FOR CREATING RESPECTFUL AND INCLUSIVE SCHOOL COMMUNITIES

NO PLACE FOR HATE®

Join over 1,800 schools across the country who are making their schools No Place for Hate®.

No Place for Hate® provides PreK-12 schools with a framework for combating bias, bullying and hatred. Schools that use this framework are able to create long-term solutions for establishing and maintaining a positive and equitable school climate where all students feel they belong.

Teachers will see improved classroom climates and an increase in student learning.

Schools will benefit by promoting a single powerful message against bias and bullying.

All **students** will feel an increased sense of safety and belonging.
