9:11 REFLECTIONS ON THE FIGHT AGAINST HATE RECORDING

ADL NY/NJ hosted a discussion on the 20th anniversary of the 9/11 attacks for a look back at our history and a look ahead on the lessons we've learned in the fight against hate and extremism. The discussion featured perspectives from first responders, leaders in Jewish-Muslim relations, and ADL staff and leadership.

NATIONAL UPDATES & RESOURCES

MOST U.S. TEENS EXPERIENCED HARASSMENT WHEN GAMING ONLINE

ADL's Center for Technology & Society recently released a new report that found that 60% of U.S. teens have experienced harassment while playing online games. "By allowing this harassment of young people to continue, we risk children feeling that they should be ashamed of who they are. That message is completely unacceptable, and online gaming platforms have a responsibility to do better," said ADL CEO & National Director, Jonathan Greenblatt.
