ADL UPDATES & RESOURCES

Since the Hamas massacre on October 7, ADL has recorded a dramatic spike in antisemitic incidents across the United States. Stay up to date on the latest ADL information and resources on the crisis in Israel at adl.org/stand-with-israel.

STAY INFORMED & TAKE ACTION

TAKE ACTION

1. [Urge the U.S. Department of Education](#) to make colleges safe from antisemitism. The Senate Resolution Condemning Antisemitism on Campuses passed but we still need your help to make colleges and universities safer from antisemitism.

2. [Urge Congress](#) to pass an emergency assistance package for Israel. Join ADL in urging your members of Congress to support President Biden's Emergency Assistance package to Israel that includes \$200 million in emergency funding for the Nonprofit Security Grant Program to help houses of worship improve their security..

3. [Tell the media](#) to do better in coverage of the crisis in Israel. They must call Hamas the terrorist organization they are and refuse to simply accept claims

from Hamas and terrorist groups spokespeople as credible.

4. Urge social media platforms to follow better content moderation practices related to the crisis in Israel. In the wake of the Oct. 7th terrorist attacks on Israel, ADL is monitoring a surge of antisemitism, anti-Muslim hate, fake news, and propaganda being spread on social media. Social media companies must act to ensure they are not fanning the flames of hate.

5. Encourage your employer to sign ADL's "Workplace Pledge to Fight Antisemitism".

JOIN US IN THE FIGHT AGAINST HATE
