ADL UPDATES & RESOURCES

NOT ON MY CAMPUS CAMPAIGN

The Not On My Campus Campaign is a call for colleges and universities to ensure that their campus has No Tolerance for Antisemitism.

Since October 7th, ADL has tracked a surge in antisemitic incidents on college and university campuses. In addition, 73% of Jewish college students surveyed have experienced or witnessed some form of antisemitism since the beginning of the 2023-2024 school year alone.

exacerbated in an election year,” said Oren Segal, Vice President, ADL Center on Extremism.

BLACK HISTORY MONTH RESOURCES

Since 1976, every U.S. president has officially designated the month of February as Black History Month, which is an annual celebration of achievements by Black Americans and a time for recognizing the central role of Black people in U.S. History Month grew out of "Negro History Week," the brainchild of historian Carter G. Woodson and other prominent Black people.
